Injury/Mishap Information

- The Center has been **68** days **without** a Civil Servant or Contractor **Lost Time Injury. (Record 68 days)**
- **Restricted Workday Incident**
 - An AAAC employee sustained a lower back strain while opening access doors to a test section to remove a model sting, resulting in 5 restricted workdays.
- **First Aid Cases**
 - A SMC employee sustained a puncture wound to the right finger from a metal splinter on the floor while cleaning up an oil spill. The employee removed the leather gloves being worn to clean up oil in a tight space.
 - A SEC employee sustained a left hand laceration while operating a band saw. The saw blade broke, un-spooled, and struck the employee's hand. All appropriate machine guarding was in place.
 - A MLB employee sustained a left eye irritation while rubbing the eye, after sharpening a lawn mower blade.
 - An Impact Management employee sustained a right wrist strain while wringing a mop.
